Questions?

For registration assistance:
Call 308-865-7095.

Purpose: To discuss and define Ketamine usage and indications

Objectives:

- Describe how Ketamine may be given
- Describe clinical indications for use
- Describe how Ketamine differs from other sedative agents
- Describe who should not receive Ketamine

Continuing Education Hours: Creighton University Health Sciences Continuing Education designates this activity for 1.0 contact hours for nurses. Participants must be present at the start of the program and attend 100% of the program to receive continuing education credit and a certificate. Partial credit will not be awarded.

Nurses licensed in Iowa and California: This activity was planned and developed in accordance with the continuing education standards of the American Nurses Credentialing Center (ANCC). The Iowa Board of Nursing and the California Board of Nursing will honor ANCC continuing education credits for face-to-face programs held outside Iowa and California, or for ANCC-approved online recorded courses taken in a self-study format.

Accreditation Statement: This activity has been planned and implemented by Creighton University Health Sciences Continuing Education and CHI Health for the advancement of patient care. Creighton University Health Sciences Continuing Education is accredited by the American Nurses Credentialing Center (ANCC), the Accreditation Council for Pharmacy Education (ACPE), and the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing education for the healthcare team.
