

# CHI Health Good Samaritan EMS TRENDS

**IMPORTANT: We are asking for attendees to let their Telehealth Site Coordinators know if they are going to view the presentation each month so we ensure your site is connected.**

**Tuesday, September 15, 2015**

7:00-9:00 pm

CHI Health Good Samaritan Conference Room & Telehealth Sites

## *“Facial, Head and Neck Trauma”*

Presented by: Kevin Badgley, EMT/P, EMS I/C  
CHI Health Good Samaritan

### **Objectives:**

At the end of the session, the participant will be able to:

- Describe potential facial injuries
- Describe potential complications of facial injuries
- Describe potential neck injuries from blunt and penetrating trauma
- Discuss treatment modalities

Continuing Education – CHI Health Good Samaritan Emergency Services offers continuing education to all participants to be used towards their state certification. A certificate of attendance will be mailed to all participants following the course and after completion of necessary paperwork.

### **Telehealth**

The mission of the Telehealth Services Department at CHI Health Good Samaritan is to use technology to improve access to quality care by providing consultation and treatment in both routine and emergency situations, to increase health-related educational opportunities for providers and the community, and to provide a venue for health-related administrative meetings. Twenty-one sites have joined with CHI Health Good Samaritan to create the Mid-NE Telehealth Network.
