CHI Health Good Samaritan Conference Room & Telehealth Sites

“Gynecological Emergencies Other Than Childbirth”

Presented by: Kevin Badgley, EMT/P, EMS I/C
CHI Health Good Samaritan

Objectives:

At the end of the session, the participant will be able to:

- Understand severe abdominal pain in female patients
- List various causes of that abdominal pain

~~~~~  
Continuing Education – CHI Health Good Samaritan Emergency Services offers continuing education to all participants to be used towards their state certification. A certificate of attendance will be mailed to all participants following the course and after completion of necessary paperwork.

This program is funded in whole or in part with public funds provided through the Preventative Health and Health Services Block Grant administered by the Nebraska Department of Health.

### **Telehealth**

The mission of the Telehealth Services Department at CHI Health Good Samaritan is to use technology to improve access to quality care by providing consultation and treatment in both routine and emergency situations, to increase health-related educational opportunities for providers and the community, and to provide a venue for health-related administrative meetings. Twenty-one sites have joined with CHI Health Good Samaritan to create the Mid-NE Telehealth Network.
