

CHI Health Good Samaritan EMS TRENDS

IMPORTANT: We are asking for attendees to let their Telehealth Site Coordinators know if they are going to view the presentation each month so we ensure your site is connected.

Tuesday, November 17, 2015

7:00-9:00 pm

CHI Health Good Samaritan Conference Room & Telehealth Sites

PLEASE NOTE: Due to the holidays, there will not be an EMS Trends class offered during the month of December. Enjoy your holidays.

“Emergency Childbirth”

Presented by: Kevin Badgley, EMT/P, EMS I/C
CHI Health Good Samaritan

Objectives:

At the end of the session, the participant will be able to:

- Describe the anatomy of the female reproductive system
- Describe the stages of a normal childbirth
- Describe some of the complications of childbirth and treatments

Continuing Education – CHI Health Good Samaritan Emergency Services offers continuing education to all participants to be used towards their state certification. A certificate of attendance will be mailed to all participants following the course and after completion of necessary paperwork.

This program is funded in whole or in part with public funds provided through the Preventative Health and Health Services Block Grant administered by the Nebraska Department of Health.

Need More Continuing Education?

The Mobile Trauma Training Unit (MTTU) or Pediatric Training Unit (PTU) are available!

For further educational needs, please contact our CHI Health Good Samaritan EMS Manager, at 308-865-7007 or (800) 508-9581.

Telehealth

The mission of the Telehealth Services Department at CHI Health Good Samaritan is to use technology to improve access to quality care by providing consultation and treatment in both routine and emergency situations, to increase health-related educational opportunities for providers and the community, and to provide a venue for health-related administrative meetings. Twenty-one sites have joined with CHI Health Good Samaritan to create the Mid-NE Telehealth Network.
